Your Quinceanera Blessing Ceremony

“You made Julie's Quinceanera so beautiful and complete, I can't thank you enough! ...”

NEW TREND TIP –

Because the traditional Church Quinceanera Blessing is becoming less of a tradition – consider including your blessing ceremony as a part of the Quinceanera banquet or maybe at an outside location near the banquet.

So.....

Quinceanera blessings can take place at a beach, park, hotel, restaurant, family home or even a “fun” place – just about anywhere! The ceremony can be traditional or very contemporary.

Your Quinceanera Benefits..... Blessing Ceremony

- All of your Quinceanera guests will be in attendance. Church blessings do not always include all those invited to this important celebration.
- Your Quinceanera guests will only be traveling to one location. This leads to a more relaxed and organized celebration.
- Your blessing ceremony will be personalized to you! You only turn 15 once! Like any special day, it needs to remain special to the one it's special to! Your Quinceanera blessing ceremony should be about your future, not the future of other girls!

"My husband and I would like to have a copy of the ceremony if that's possible. Especially Julie's tribute to her parents..... it was awesome."

- A custom written and personalized Quinceanera blessing ceremony will have more meaning to your family and friends. Allowing them to participate in a more personal way.
- A specially trained Quinceanera Officiator brings a very special kind of help and organization to the Quinceanera day.
- A Quinceanera blessing ceremony can be held at any location – from banquet hall to park... from hotel to restaurant... from family home to garden. It can also be a non-religious or religious ceremony.

A Mother Of La Quinceanera Said.....

"Everyone that I spoke to said they have never attended an event like this, even those that had been to Quinceaneras before. Many of my parent's friends, the old timers from San Juan Capistrano Mission, raved how beautiful the ceremony was. I am so glad to have found you, we wouldn't have had such a memorable and special event without you!"
